

Health & Wellness Procedures & Protocols for Blues Crew Work Parties:

Health and safety expectations to be included in the pre-event e-mail, and day-of/trailhead instruction.

Restricting carpooling; wearing masks while in enclosed spaces and during team instruction.

Stricter enforcement of work distance separation (6-10 feet apart.)

Wearing masks if teaming within 6 feet required for task (ie. cross-cut teams.)

Improved tool and equipment sanitation: *See Sanitizing Protocol.*

Improved handwashing/sanitation: Alcohol hand sanitizer, and hand-washing station with soap.

Posters/Videos: Covering cough/sneezes, handwashing, avoiding touching face/nose/eyes

Penguin cough/sneeze hygiene (18 seconds): <https://youtu.be/sLXzw6j9JVw>

Handwashing (2 minutes): <https://www.youtube.com/watch?v=d914EnpU4Fo>

Limiting sign-ups to work teams of 5 or fewer.

Volunteers to self-certify they are well and without known recent exposure to others with COVID-19 *or other communicable illness.*

Symptom list for reference:

- Cough
- New Shortness of Breath
- Fever in the last few days (100.4 or greater)
- Loss of sense of taste or smell.
